SUMMARY

M.Sc. Information Technology student and aspiring UI/UX Designer with hands-on experience creating user flows, wireframes, and high-fidelity mobile interfaces in Figma through academic and personal projects. Interested in user-centered design, usability, accessibility, and creating clear digital experiences.

EDUCATION

M.Sc. Information Technology July 2025 - Present
Charotar University of Science & Technology, Gujarat

Bachelor of Computer Applications (BCA) February 2022– February 2024
S. S. Agrawal College, Navsari, Gujarat

PROJECTS

e-Nagar Gujarat App Redesign | Figma Link
- Reviewed the citizen-facing government services app and identified opportunities to improve navigation and service accessibility.
- Created user flows, wireframes, and high-fidelity interface designs in Figma.
- Focused on clearer service discovery and a more straightforward application experience.

CuraNova – Healthcare Appointment & Queue Management App | Figma Link
- Designed a mobile app for doctor discovery, comparison, and appointment booking.
- Created live queue tracking with token status and estimated waiting times.
- Designed delay notifications and flexible appointment management.
- Created user flows, wireframes, and high-fidelity prototypes in Figma.

EXPERIENCE

Video Editor July 2024 – July 2025
- Edited and produced video content using Adobe Premiere Pro.
- Managed video timelines, cuts, transitions, visual effects, and rendering.
- Applied visual storytelling and attention to detail to deliver polished content.
